Dear Sir:

Applicant has filed this paper together with submission of the Issue Fee Transmittal and payment of the Issue Fee. Applicant respectfully requests confirmation that the Certified Priority document (Japanese Patent Application No. 2000-246215) has been received and entered in this case. Applicant had previously submitted a certified copy of this document that was apparently not entered by the Office. The second certified copy was submitted by first class mail on Sept. 14, 2006. Submission of the second certified copy was suggested by the Patent Examiner (in a conversation dated July 14, 2006) and also suggested by the Supervisory Patent Examiner (in a conversation dated July 26, 2006). It is believed that no fee is due for consideration of this paper. If, however, a fee is due, please charge it to Deposit Account 50-0585. A copy of this paper is enclosed.

Respectfully submitted,

Alan S. Raynes
